Care for Carers Respitality Programme for Carers

Respitality is a short break programme managed in Scotland through Shared Care Scotland. It matches Scottish Hospitality Providers who are willing to donate or gift a short break, a day out, a meal out, a family experience or a longer holiday break with unpaid carers and their families and friends.

Services which are offered as part of the Respitality Programme are free or have a very small cost contribution for carers.

Care for Carers are members of the Respitality Programme, which means that all of our carers, their families and friends who are involved with us, will be able to access the Respitality service through us. You never know what is going to be on offer next! It could be a 3 night break in the countryside or afternoon tea for two.

How does it work?

If you would like to be considered for some of the Respitality offers, then please complete and return the attached Registration form.

We will then keep your details on our database for the programme and contact you about up and coming offers, short notice offers or events.

Please return this form to -

Care for Carers, St Margaret's House, Room 4.25, 151 London Road, Edinburgh, EH7 6AE
